

# CAMPMASTER *Tipi*

Campmaster Tipi is a new design of Trailer Tent for 2. Stand out from the crowd and camp in style and comfort in a Trailer Tent which uses a tepee style tent and a compact trailer which can be towed by anyone with almost any vehicle whatever their towing experience.

The tepee design is not only bang on trend, but is one of the simplest possible styles to pitch and this can be done by one person with minimal effort. Once erected, there's room for 2 with space for table and chairs in the cosy living area.

With a quality foam mattress on a sturdy bed base you're sure of a good night's sleep and at a height that's easy to climb out of in the morning. The comfy double bed is covered by its own enclosed inner tent creating a cosy, well insulated bedroom for 2.

For a quick weekend away the trailer can be left at home and the Tipi tent used on its own. The tepee tent packs small and light enough to be thrown easily in the back of the car. A back to basics camping experience is on offer with plenty of floorspace for all the family on airbeds or folding camp beds.

# CAMPMASTER *Tipi*

The Campmaster Tipi uses the smallest of trailers so it can be towed by almost any car and many motorbikes.

A clear rear view whilst towing and minimal space when stored.

Lightweight and compact, even a novice will be comfortable towing the Campmaster Tipi and its dainty dimensions are great for touring.

Light and compact Campmaster is a pleasure to tow.

Unladen Weight	Gross Weight	Length	Width	Height
110kg	200kg	140cm	100cm	88cm

For such a small trailer the Campmaster Tipi offers a surprising amount of storage. Lift up the bed base and you'll find there's ample space in both the trailer lid and base with room for bedding, luggage, kitchen equipment and

To help out at home, the Campmaster can be used without the tent as a luggage trailer. Get rid of rubbish, transport bulky items or go camping with a different tent.

Whether used with the tent or on its own the trailer also has a trailer top rack making it easier to take bikes, boards or golf clubs with you on your travels.
