

Camp-let[®]

Gives you the best holiday...

Welcome to The World of Camp-let

Selected as
"best trailer tent"
Camp-let has been selected as
"best light-weight trailer tent in
the price category over £3100"
by the British Caravan Club
several years in a row.

Time and freedom for all kinds of fun

A Camp-let gives you the chance to enjoy camping at its best. Without skimping on luxuries such as a kitchen, high-quality beds, a large lounge, plenty of luggage space – and much more besides. The com-

pact size facilitates easy handling and a clear rear view, while storage requires less space.

A Camp-let is designed to be as easy as possible to set up and pack away again, leaving you time for all the fun things you want to do on your holiday.

Quick setup – 3 simple steps

Three simple steps and a matter of minutes – and you're ready to enjoy your holiday. Gas-assisted open-

ing means one person can open a Camp-let with no need for additional assistance.

1. The built-in kitchen swings out – all kitchen models can be used when you break your journey.

2. The trailer lid opens up. A practical gas-assisted opening helps you open and shut the trailer.

3. The large awning and sleeping compartments open in a single movement.

5th generation

Camp-let is now launching the 5th generation – a recently developed range which combines many years of experience with input from loyal customers.

New trailers and many tent details

The new trailer is aerodynamically designed to make your journey more economical and eco-friendly. The trailer also offers increased luggage space and fine-tuning of kitchen functionality.

The integrated aluminium roof bars give you the option of easily fitting optional extras as required.

The tent range offers a host of new details that help to make your holiday even more comfortable. Tried-and-tested materials provide an ideal indoor climate, as well as a longer life for your Camp-let.

“This product brings freedom”

“Our goal is and always has been to create a product that gives our customers the freedom and ability to enjoy their holiday to the maximum.”

Hans Jørn Nissen, Director

Environment and economy – hand in hand

- ✓ Minimum additional fuel consumption
- ✓ Low weight – easy to tow
- ✓ Low profile – a clear rear view
- ✓ More comfortable to tow than a caravan

Camp-let only increases your fuel consumption slightly, and you always have a clear rear view. The low weight of the Camp-let (250 kg – 275 kg) means any car can tow it.

Clever details – to make life a little easier

Comfortable sofa | The bed in the sleeping compartment on the left can be rapidly converted into a comfortable sofa – if there are only two of you, there's plenty of room for luggage behind the sofa.

Luggage space and pockets | Clever details – luggage space beneath the Camp-let and pockets in the sleeping compartments make day-to-day living in the tent much easier.

Ventilation | Many practical ventilation options offer a pleasant indoor climate, even on hot days.

Quality kitchen | Kitchen with sink, electric water pump, three gas burners, non-slip surface in the storage compartments and generous workspace on the specially developed worktop.

A helping hand | Practical gas-assisted opening help to open and close the trailer. The gas spring means one person can easily handle setting up.

Storage after your holiday | Using a storage bracket, the trailer is put upright and can be pushed into the garage. For details of the storage bracket, see optional extras.

See optional extras on pages 10–11 | Overview of models on the back page

Basic and Basic+ 2-4

Camp-let's basic models, Basic and Basic+, give you plenty of space for all the family. Basic is very compact when the trailer is closed, yet spacious and practical when the tent is erected. The 17 m² tent space includes two double sleeping compartments and a nice livingroom. For optimum quality and longevity - the canvas is doubled around the tentpoles and the most vulnerable points are reinforced.

Choose between Basic and Basic+. Basic is supplied without a kitchen, while Basic+ has the kitchen of Savanne and Classic with three stainless steel gas burners, a 13 litre water tank, electric water pump, kitchen sink and generous worktop.

Basic+ gives you a standard kitchen with ample storage capacity and working height.

Area	17 m ²
Unladen weight	250 kg
Load capacity	250 kg
Dimensions when closed	323 x 160 x 95 cm
Dimensions when open	526 x 400 cm
Bed dimensions	215 x 160 cm
Colours	Blue/grey
Canvas material	Cotton

Basic is ideal for 2-4 people - if there are only two of you, you have even more luggage space behind the sofa, which can be left set up permanently. If you have visitors, the sofa can quickly be converted into a double bed.

“Our best investment”

“Instead of taking a charter holiday abroad, we bought a Camp-let, and we’ve never regretted it. In the four years we’ve had our Camp-let, we’ve spent countless hours of fun in it with our family and friends.”

Anne-Mette, Ralf, Mia and Bella, Kolding – Denmark

Savanne

With a Savanne, you can get even more out of your Camp-let trailer tent. Take your Savanne to the beach, on an angling trip or simply to your favourite camp site. The unique ability to zip of the front and sides gives a whole new dimension to your camping holiday. Even with this option, you can still add more space to the Savanne with a guest annex, so you'll have room for 6.

The robust design, the galvanised chassis and fibre-glass construction all add up to a minimum of maintenance and many years of hassle-free camping.

Area	18 m ²
Unladen weight	250 kg
Load capacity	250 kg
Dimensions when closed	323 x 160 x 95 cm
Dimensions when open	569 x 400 cm
Bed dimensions	215 x 160 cm
Colours	Beige/cognac
Canvas material	Cotton

Both Classic and Savanne are equipped with Camp-let's standard kitchen, which has 3 gas burners and a generous worktop, etc.

Savanne and Classic both offer excellent expansion options. Guest annex with 2 extra berths, sun canopy for shade and side and front screen to provide shelter from the wind.

The new, aerodynamic trailer keeps wind resistance down and fuel consumption low, while allowing generous luggage space for all the family.

Classic

Camp-let Classic is the ideal trailer tent for people who like a little extra pampering and holiday comforts. Thanks to the 18 m² tent, there is plenty of room for a family of four. Classic has a built-in kitchen with 3 stainless steel gas burners, a 13 litre water tank, electric water pump and kitchen sink. Classic is equipped with a specially-developed breathable acrylic canvas.

Are there more than four of you travelling together? No problem. You'll never run out of space with a Camp-let Classic. Just add a guest annex, a sun canopy and a reversible side and front screen. The tent offers effective ventilation options, comfortable cold foam mattresses and, like all Camp-let models, Classic is 100% rust-free.

Area	18 m ²
Unladen weight	250 kg
Load capacity	250 kg
Dimensions when closed	323 x 160 x 95 cm
Dimensions when open	569 x 400 cm
Bed dimensions	215 x 160 cm
Colours	Light grey/dark grey
Canvas material	Acrylic

Cotton: The Savanne tent is made from reinforced cotton, impregnated at the factory.

Acrylic: The Classic tent is produced using a specially developed, breathable acrylic material with solution-dyed fibres.

Zip the strong ground sheet directly into the zips provided tent. The ground sheet keeps dirt out of the tent and easier to clean.

Take Savanne with you to the beach and leave the side and front pieces at home. Set up with two guy ropes.

“A perfect holiday with children”

“On our camping trips, we felt we needed something simple, comfortable and spacious – and the Camp-let is all those things. Our two children love it – and the dog can even come too.”

Gitte and Tue Sørensen, Agerbæk – Denmark

Adventure

Camp-let Adventure is elegantly designed and well-thought-out down to the last detail. The 18 m² tent allows unlimited extensions using one or more additional awnings. The entrance section can be lowered like a veranda, or removed altogether.

Adventure gives you luxury and clever details, such as ventilation on both sides of the tent, pelmet with pockets, wardrobe rail, covered zip, luggage space beneath the Camp-let – and much more besides.

Area	18 m ²
Unladen weight	275 kg
Load capacity	225 kg
Dimensions when closed	323 x 160 x 95 cm
Dimensions when open	569 x 400 cm
Bed dimensions	215 x 160 cm
Colours	Mocha/blue
Canvas material	Cotton

Both models offer deluxe kitchens. Generous worktop, storage compartment and practical drawers for cutlery and other kitchen utensils. All kitchen models can be used when you break your journey.

Premium and Adventure give you a world of expansion options. Guest annex can be added on both sides of the tent, and a large awning or sun canopy at the front. Alternatively, the sun canopy can be fitted after the awning.

For added comfort, Adventure and Premium are equipped as standard with latex mattress toppers on top of the cold foam mattresses.

Both models have ventilation with mosquito nets in the sleeping compartments, by the kitchen and in the side window.

The Adventure and Premium trailer are elegantly designed with integrated roof bars, recessed lights and a practical opening mechanism.

Cotton: The Adventure tent is made from reinforced cotton, impregnated at the factory.

Acrylic: The Premium tent is made from a specially developed, breathable acrylic material with solution-died fibres.

Premium

Camp-let Premium, just like Adventure, is elegantly designed and well-thought-out down to the last detail. The Premium tent has been tested through several seasons and can therefore be designated as top rate in our range of tents. The breathable acrylic material with solution-died fibres gives the tent a pleasant indoor climate as well as optimum durability.

Premium gives you luxury and clever details, such as ventilation on both sides of the tent, pelmet with pockets, wardrobe rail, covered zip, luggage space beneath the Camp-let – and much more besides.

Area	18 m ²
Unladen weight	275 kg
Load capacity	225 kg
Dimensions when closed	323 x 160 x 95 cm
Dimensions when open	569 x 400 cm
Bed dimensions	215 x 160 cm
Colours	Light blue/dark blue
Canvas material	Acrylic

Optional extras – for your Camp-let

Slatted base | For additional comfort and ventilation beneath the mattresses.

Mattress topper | This luxurious mattress topper offers additional comfort – standard in A/P.

Insulation mats | Extend the season with extra insulation beneath the mattresses.

Raised bed | Provides comfort and with gas assisted lift system storage under the bed.

Bicycle rack | Taking your bicycles on holiday is easy – available for 2 or 4 bicycles.

Roof rack | An easy way to take extra items with you on holiday.

Winter cover | Protect your Camp-let from dust and dirt while in storage for the winter.

Luggage cover | Protect the Camp-let from scratches during transportation.

Tarpaulin | Protects the trailer from dirt and dust, and the expansion zip offers additional luggage space.

Luggage locker | Make space for a cooler, gas canister or other luggage.

Gas and water box | Make space for pegs, cables and other equipment.

Road and hand brake | Ensures comfortable driving in hilly terrain even with a small car.

Jockey wheel | For easy handling, and to enable easy manoeuvring of the Camp-let into tight spaces.

Storage bracket on wheels | Store your camper upright to save space.

Spare wheel and carrier | Practical under-trailer mounting.

Sports alloy wheels | A smart, sporty look to complement the aerodynamic design.

Ball hitch lock | Secure your Camp-let against theft. Easy-to-mount coupling lock.

Pocket flap | Keep things organised during your holiday – standard in C/S/A/P.

Bucket Groundsheet | The base can be zipped on quickly and stops muck and dirt.

Cable kit | Power sockets in the camper, conveniently pole-mounted. 3 power outlets, 25 m strong rubber cable.

Wardrobe rail | Practical clothes hanging between the sleeping compartments – standard in C/S/A/P.

Lamp shade and tablecloth | Elegant design and matching colours for a homely feel.

Lamp holder | Hanging the lamp is simple, and adjust using the telescopic bracket.

Built-in oven A/P | With the gas oven, you can have warm breakfast rolls in the morning.

Sun canopy and side and front screen B/C/S | The side and front screen can be reversed as required.

Nature sun canopy B/C/S | Provides shelter and shade.

Guest annex C/S/A/P | The window zips off easily to allow the compartment to be zipped on.

Sun canopy and side screen canopy A/P | A covered "patio" extends the long summer evenings, and the door canopy provides shelter from the wind.

Awning A/P | Offers 10 m² of additional space and can be further expanded to include a guest compartment or sun canopy.

The long list of extras enables you to personalise your Camp-let.
