

# Camping at it's best

Camp-let<sup>®</sup> product overview

Best trailer tent over £ 3100 in 2006, 2007, 2008 and 2009, voted by the Caravan Club.

**Camp-let<sup>®</sup>**

[www.camp-let.com](http://www.camp-let.com)

# Welcome to the world of Camp-let

The award winning Camp-let® trailer tents gives you the opportunity to enjoy camping at it's best, without sacrificing luxuries such as a kitchen, high quality beds, a roomy living room, plenty of luggage space and much more. And on top of that, a compact size means nimble handling, unobstructed rear view when driving and less space taken up when stored. We have made Camp-let® as easy as possible to erect, take down and operate so you can focus on the all fun things during your holiday!

Camp-let® were even voted "best trailer tents over £3100", for 2 years running, at the caravan club lightweight leisure trailer awards in 2006, 2007, 2008 and 2009.

For information on exiting holiday destinations, tips and tricks, models and much more, visit our website at [www.camp-let.com](http://www.camp-let.com).

## Standard in all Camp-let® trailer tents

- ✓ High quality kitchen
- ✓ Two double sleeping cabins (4-6 people)
- ✓ Easy storing
- ✓ High resilient foam mattresses
- ✓ Fiberglass body
- ✓ No increased fuel consumption when driving
- ✓ Independent suspension
- ✓ The gas-strut helps open the lid
- ✓ Unobstructed rear view when driving
- ✓ Plenty of storage space for four people inside the trailer.
- ✓ Tent made by Isabella®
- ✓ Reinforcing to pegging points and roof canvas.
- ✓ Fully galvanized chassis
- ✓ UV-protection to tent windows

## 3 easy steps

With Camp-let, you are soon ready to enjoy your holiday.

1

Wind down the support legs and swing out the kitchen.

2

The gas assisted opening helps you open the lid.

3

The cabin, awning and the two sleeping compartments are erected in one operation.

## With Camp-let

- You save fuel and get an unobstructed rear view.

# Apollo / Apollo Lux

Our entry-level models Apollo and Apollo Lux gives you plenty of room for the whole family. The Apollo series is ultra compact when folded - and spacious and practical when erected. The 17 square metre area includes two double sleeping cabins and a roomy living room in the integral front awning. For optimum quality and longevity - the canvas is doubled around the tentpoles and the most vulnerable points are reinforced.

Choose between Apollo and Apollo Lux. Apollo comes without kitchen and Apollo Lux adds sink, stainless steel 3-burner stove, 13 litre water container and electric water pump.

The canvas is in a marine blue/grey colour combination

Double canvas with extra reinforcements adds long life. Roof/support poles for strength\*\*.

New kitchen in high quality. Side-mounted sink is giving good workspace.

Gas assisted opening helps open the lid\*.

Practical integrated sofa. (pockets are not standard\*\*).

// Perfect for holiday  
with the children

For our camping trips we wanted something easy,  
comfortable and roomy. Our Camp-let is all that, our  
two children love it – and we can even bring the  
dog along!

Gitte and Tue Sørensen, Agerbæk

The awning\*\* by the kitchen  
gives excellent ventilation,  
mosquitonet is standard.

Plenty of clever details. For  
example space for you lug-  
gage under the trailer\*\*.

Plenty of practical ventilation  
in the sleeping cabin in the  
Concorde.

Storage bracket with wheels.

# Concorde

Camp-let® Concorde is the ideal trailer tent for the family who loves a little extra holiday comfort. Covering 18 square meters the Concorde easily fits a family of four. It has a built-in kitchen equipped with kitchen sink, 3 burner stainless steel gas hob, 13 litre water container, electric water pump and 12 volt power point.

More than four people going camping? No problem. With Camp-let® Concorde you never run out of room. Just add an extra guest cabin, a sun canopy or even a side and front screen. The trailer tent offers effective ventilation options, high resilient foam mattresses and as with all other Camp-let® models, the Concorde has low maintenance and is 100% rust free. The canvas comes in a marine blue/grey colour combination.

Camp-let® Concorde gives you the option of adding a practical guest cabin for accommodation of 2 extra persons. You can also add side and front screen and get full enjoyment of those long summer evenings.

New kitchen in high quality where there is attention to details. Side-mounted sink is giving good workspace.

// Getting out of the city in no time

We live in the city and take frequent weekend trips with our Camp-let. With its compact size we can store it almost anywhere and get out of town and on holiday in no time.

Jane and Torben Andersen, Amager

Top quality in every detail. Here; elegantly covered zips\*.

For more room in the Savanne – add an extra sleeping cabin\*\*.

Dirt resilient tent minimises maintenance\*.

Privacy panel and mosquito-mesh for ventilation on both sides.

# Savanne

With Camp-let® Savanne you can get even more out of your trailer tent. Bring your Savanne to the beach, on a fishing trip or your favorite camping spot. The unique ability to zip of the front and side gives a whole new dimension of your camping holiday. And even with this feature - you can still add an extra room in your Savanne with a guest cabin and easily accommodate 6 persons in comfort.

The rugged construction, galvanized chassis and the shock-absorbent fiberglass body gives you minimum maintenance and many years of carefree, fun camping.

Camp-let® Savanne comes in a beige/cognac colour combination.

Unique to the Camp-let® Savanne is the ability to zip off the front and the side and change the trailer tent from a closed holiday home to a big covered terrace. Savanne is then ideal for the beach or for fishing trips.

New kitchen in high quality where there is attention to details. Side-mounted sink is giving good workspace.

“ Our best investment

For the price of a holiday abroad for the family we bought our Camp-let and we haven't regretted that. For 4 years we have used it on holidays with countless hours of fun with friends and family.”

Anne-Mette, Ralf, Mia and Bella, Kolding

The elegantly designed tent is of the highest quality and made by Isabella®.

Plenty of practical ventilation in the sleeping cabin in the Camp-let Royal.

Removeable side panels to accommodate a guest cabin or enjoy the view.

High resilient latex and memory foam beds for a good nights' sleep.

# Royal/Royal Acrylic

The Royal is elegantly designed and thought through in every detail. The 18 square metre tent can be extended indefinitely with an extra awning and the front can be dropped, veranda style or completely detached. You get plenty of clever details along with ventilation on either side of the awning and in the sleeping area, pelmet with pockets, wardrobe bar, covered zips, zips for side screen, underbed storage, centre roof rafter and much more.

Royal comes with cotton tent in anthracite/beige and red colour combination. Royal Acrylic comes with acrylic tent in anthracite/blue colour combination.

Camp-let offers fantastic road comfort and rearview vision.

The Camp-let® Royal is equipped with our best kitchen facilities. There's plenty of workspace and practical drawers and storage compartments.

# Camping in style

Camp-let gives you the opportunity to add a lot of exciting accessories from guest cabins and side and front screens to canopies. This extends your camping area and

makes a great addition to an already large living area. All accessories fits comfortably inside the Camp-let when travelling.
