

FROM EVERYDAY LIFE
TO ADVENTURE
IN 2 MINUTES

A TRAILER THAT CAN BE USED ALL YEAR ROUND
+ DETACHABLE FOLDING CARAVAN UNIT

Quest 750 braked

QUEST ⁵⁰⁰/₇₅₀

AVAILABLE IN BRAKED AND UNBRAKED VERSIONS

Thanks to its compact size, the QUEST model will appeal to couples and small families looking for an easy escape from it all.

It is fully equipped and the living area is thermally insulated using the Insulcell system, offering an incomparably high level of comfort.

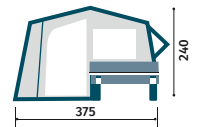

Bedroom + living room

Easy access to the trailer

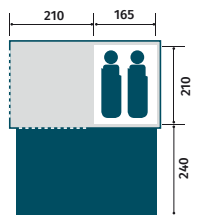

QUEST OPEN

10 cm thick foam mattress

QUEST WITH SIDE DOOR RAISED

QUEST + AWNING

Zénith braked

ZÉNITH

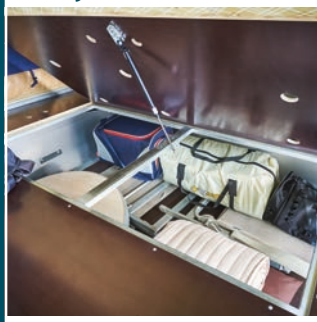

The ZÉNITH model is made for adventure and open spaces and will appeal to those seeking more ample living, sleeping and storage areas.

To increase the living area, an adjoining bedroom measuring 5.5m² is available as an optional extra, transforming the Zénith into a real family-sized caravan! The trailer is also larger, with a standard braked axle and spare wheel.

Bedroom + living room

Easy access to the trailer

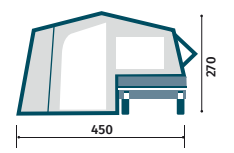

ZÉNITH OPEN

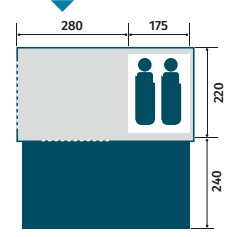

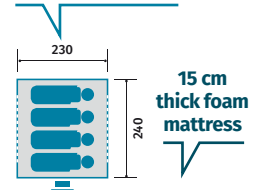

ZÉNITH + AWNING

ZÉNITH + ADJOINING BEDROOM

Optional adjoining bedroom

QUEST 500 / 750

ZÉNITH

GET OFF THE MAIN ROAD, TAKE A TRACK AND GO WHERE THE FANCY TAKES YOU

Tailor-made for adventure and improvisation, the new Quest and Zénith folding caravans are the fruit of a partnership between two outdoor holiday specialists: the French company Trigano and Australian company OZtrail.

Designed with the touring camper in mind, these 2 new models of caravan will suit those looking for something a little out of the ordinary. Set up your bivouac in just a few minutes and decamp in the same amount of time!

A TWO-IN-ONE CONCEPT

More than just a folding caravan!
The innovative product design allows the trailer to be easily separated from the caravan unit. Manufactured in Trigano's factories in France, the trailer is as robust as it is stable and has a practical use once you are back from your expeditions.
