THE "TREKKY" CAMPER

TRIGANO

THE TREKKY CAMPER BY TRIGANO

 The revolutionary Trekky Camper is a lightweight, uniquely designed trailer which will fulfil your camping needs for many years to come.

 Made from breathable heavy duty 400/450g/m² Polycotton Ripstop material, it is designed to ensure you are both protected from the elements as well as maintaining a warm internal environment at night and a cooler environment during those hotter days.

 The Trekky can be simply modified into a useful trailer when you are not using it as your holiday accommodation.

 Sleeping off the floor in a large sealed bed, it doesn't matter what nature throws at you, as you will be as snug as a bug in a rug, as the bugs can't get in! Now includes a new 10cm thick mattress with pleated cover.

***Quick set up!
Ideal for
touring***

Available exclusively from 
Camperlands LTD.
The UK's biggest trailer tent dealers

**Trekky camper for
overnight stops and
weekend use.**
