This catalogue presents our entire collection for 2016. You can obtain more detailed information, including product videos and the list of dealers in your region, from our website:  
[www.trigano-trailertents.com](http://www.trigano-trailertents.com)

At the heart of nature, with family, friends or just the two of you, our product range is certain to include the model that's right for you, offering holidays in total freedom and peace of mind.

**Adventure holidays with all the comforts of home!**

## FOR TOP-QUALITY ADVENTURES

For the past 40 years, **Trigano** has manufactured trailer tents. Our products are designed and produced at our Mamers plant in the Sarthe region of France. Unique in Europe, our know-how is reflected in the quality of our products. The technical competence of our employees and the stringent demands we place on the materials used are what makes us special. Canvas is an essential part of a trailer tent. That is why we have chosen high-quality, waterproof and tear-proof cotton for the roofs and walls which is breathable and hard wearing. The canvas is well ventilated and airy. We stitch all the canvas ourselves by hand and the seams are made using a lock stitch particularly resistant to all the wear and tear of modern-day life. The trailers are almost indestructible. The secret lies in the choice of PVC, an ideal material thanks to its lightness, extreme robustness, easy cleaning and resistance to rust. We therefore optimise the entire production line to offer you robust, practical and comfortable trailer tents designed to stand up to any weather imaginable.

**For top-quality adventures !**

**TRIGANO**

## THE TRIGANO ADVANTAGES

### A COMPACT TRAILER TENT

once folded, the Trigano trailer tent takes up little space and can be towed by all types of car without generating any wind resistance. it is also easy and practical to store in winter.

### GENEROUS STORAGE SPACE

No need to leave anything behind; our trailer-tents offer all the storage space you need for your luggage. And for even more simplicity at stopovers, we have developed the easy pack system on certain models, giving easy access to the storage box. For specific items of equipment such as bikes or fridges, use one of our optional accessories: the front storage box or the luggage rack..

### A PROTECTIVE GROUND SHEET

ensure optimum comfort by using the groundsheet which will protect against moisture, insects and the wind. the removable groundsheet is connected to the awning by means of a zip fastener about 10 cm above the ground.

### VERY COMFORTABLE BEDROOMS

fitted with mosquito nets and flaps, the bedrooms are made of cotton which serves as a lining for the main canvas. the mattresses are wide and comfortable. the slatted bases are available on most models. all of our models offer two separate rooms (except the alpha) and you can also add extra sleeping areas (underbed tents, annexes)

### THE PLEASURE OF COOKING

the kitchen units offer all the space and equipment you need to prepare your favourite meals. you can even cook in the open air as the kitchen units can be moved outside the awning (except the fixed kitchen unit in the alpha). the kitchens in the odyssee and olympe models can be fitted with wheels. the kitchen units are attached at the rear of your folding camper.

## TEXYLOOP®

In order to implement a certified environmental approach and to manage the life cycle of our products, TRIGANO has an undertaking with the TEXYLOOP collection body to recycle 100% of our PVC materials.

Recycling is currently the only effective way of limiting our environmental impact and reducing the amount of waste produced. Every ton of new raw material produced by TEXYLOOP recycling gives a corresponding saving in resources and energy.

TEXYLOOP is a fully operational industrial recycling process at the heart of a Europe-wide collection network. Taxyloop allows 100% recycling of the components of textiles and promotes the emergence of activities for reuse of materials in new applications.

## THE 2016 RANGE

This season, the GALLEON colours have been completely revised to give a more welcoming and brighter space; the roof is dark to block out light when sleeping and the living area is lighter to make the most of the light.

The ODYSSEE is now available in two versions:

the ODYSSEE and the ODYSSEE PLUS. The fundamentals of this trailer-tent have not changed, but now you have a choice of two equipment levels.

The façade of the ALPHA has been completely revamped; it is closer to the style of the ODYSSEE and the OLYMPE.

### EUROPEAN APPROVAL

All our trailer tents are approved to the applicable European standards and comply fully with the latest road safety requirements. Our trailer tents can therefore be used in all European Union member states.

# GALLEON

TRIGANO

## SPACIOUS ADVENTURE

Camping, yes, but where everyone can enjoy their own space!

The **GALLEON** trailer-tent encourages you to make the most of its awning, with its rounded design, stretching back more than 3 metres and with numerous storage spaces. This year, a brand new shade is available: MOCHA with thin blue piping. A dark roof to the rear will ensure sleeping comfort, and the lighter awning extension will let as much light as possible into the living area. You will be surprised by the assembly system's efficiency, allowing the cubicle and bedrooms to be set up in less than 3 mins.

Finally, the **GALLEON** trailer-tent offers you a choice:

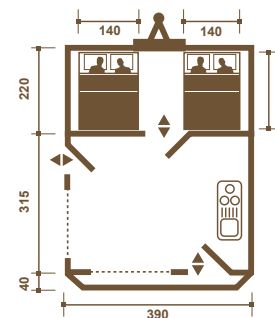

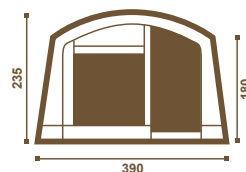

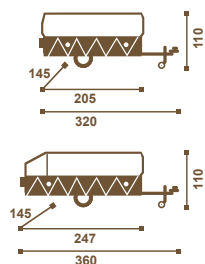

A choice of equipment: with or without brakes, with or without kitchen unit.

A choice of universe: a mocha version with thin blue piping and a blue and white version. Another advantage of the **GALLEON** trailer-tent is its quality-price ratio which is one of the best on the market, without making any concessions on quality.

Two colour schemes available:

Mocha  
blue/white

**Total laden weight:** 495 - 650 kg for the braked trailer

**Unladen weight:** 285 kg or 320 kg for the braked trailer,  
+ 25 kg with the kitchen unit option

**Mechanical brake:** optional

**Size of wheels:** 500 x 10

**Overall body size (LxWxH):** : 320 x 140 x 110

**Surface area:** 20,9 m<sup>2</sup>

**Suspension:** rubber, independent

# ODYSSÉE

TRIGANO

## ADVENTURE IN ALL SIMPLICITY

A sudden desire to get away and discover new horizons?

The Odysée trailer-tent has been completely reworked for 2016: we have held on to the essentials to create an economical family trailer-tent, with an unbeatable quality-price ratio. The fundamentals of this trailer-tent and all the little details which have made it such a success from the start remain, of course, unchanged: sleeping comfort (slatted bed), speed of assembly, etc.

Total laden weight: 650 kg

Unladen weight: 365 kg with the kitchen unit option

Mechanical brake: standard

Size of wheels: 135 R 13

Overall body size (LxWxH): : 383 x 162 x 105

Surface area: 18,9 m<sup>2</sup>

Suspension: rubber, independent

# ODYSSÉE PLUS

TRIGANO

## ADVENTURE WITH HOME COMFORTS

Freedom, authenticity, well-being.

This is the brand new **ODYSSÉE PLUS**, the fully-equipped version of the **ODYSSÉE**, ready and waiting to be transformed into your home from home in only a few minutes.

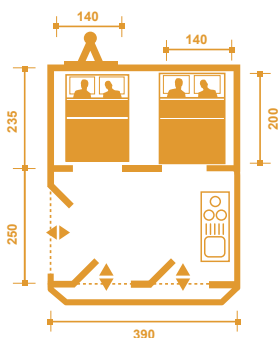

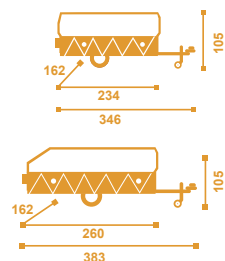

Just a few moves is all it takes to set up the trailer-tent and awning extension.

The slatted beds in the two, fully-separated bedrooms are waiting for you to enjoy. The groundsheet, the sun canopy and the mosquito nets protect you from natural nuisances. The awning extension lets light flood in thanks to the large roof window. The mobile kitchen unit (when fitted with wheels) is equipped with all you need and includes a sink and a 3-burner gas hob to satisfy all the family's appetites.

Finally, the new **EASY PACK** system makes accessing luggage easier.

NEW EASY PACK SYSTEM

**Total laden weight:** 650 kg

**Unladen weight:** 365 kg with the kitchen unit option

**Mechanical brake:** standard

**Size of wheels:** 135 R 13

**Overall body size (LxWxH):** : 383 x 162 x 105

**Surface area:** 18,9 m<sup>2</sup>

# OLYMPE

TRIGANO

## LARGE-SCALE ADVENTURE

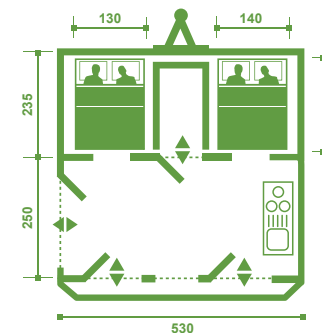

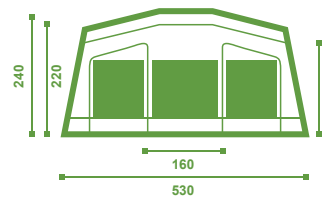

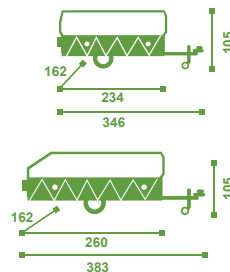

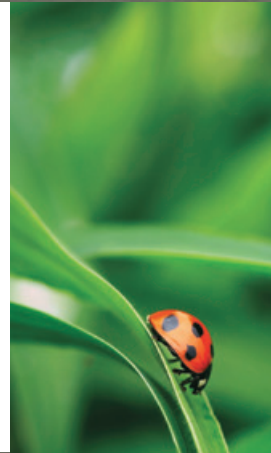

For holidays with the whole family!

Choose **OLYMPE**, our large-scale model which can house up to 12 people (6 children and 6 adults). With a surface area of almost 26 m<sup>2</sup>, this is the most spacious of our trailer tents. It boasts two independent bedrooms separated by a cubicle, which can be turned into a 3<sup>rd</sup> bedroom for 2 people. Add another annex and the underberd tents and you can house your entire family.

The large size takes nothing away from the speed and simplicity of assembly, as the awning opens at the same time as the bedrooms.

If everyone is sitting down to eat, the kitchen unit offers all the storage space necessary as well as a sink and a hob with 3 burners. It can be moved to cook under the awning or even outside, this becomes effortless with the optional kitchen wheels. With the **OLYMPE**, enjoyment is guaranteed.

**Total laden weight:** 650 kg

**Unladen weight:** 465 kg with the kitchen unit option

**Mechanical brake:** standard

**Size of wheels:** 135 R 13

**Overall body size (LxWxH):**  
383 x 162 x 105

**Surface area:** 25,7 m<sup>2</sup>

**Suspension:**  
rubber, independent

# ALPHA

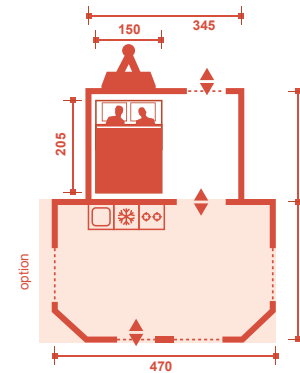

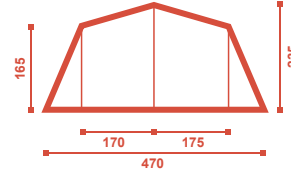

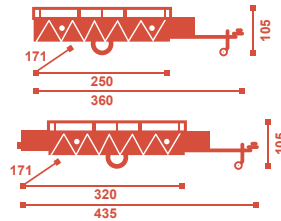

TRIGANO

## LUXURY ADVENTURE

Get away just the two of you - sheer luxury!

Moving from place to place at the drop of a hat is possible with the **ALPHA**, our top-of-the-range model. A few minutes is all it takes to open and close this trailer-tent, which offers genuine interior comfort with its large bed measuring 150 x 205 on a slatted base, a large storage area for easy access to your luggage and a luxurious kitchen unit with pre-installed gas and water connections from the front box. Its new façade, in keeping with the **ODYSSÉE** and the **OLYMPE**, makes it all the more appealing and allows for the addition of a bedroom annex. And, if you want to extend your stay, you can transform your **ALPHA** into a large trailer-tent with awning, sun canopy, rear annex, and additional bedroom. To travel in total freedom, opt for the **ALPHA**

- Total laden weight: 650 - 750 kg
- Unladen weight: 400 kg, 460 kg with the kitchen unit
- Mechanical brake: standard
- Size of wheels: 165/70 R13
- Overall body size (LxWxH): 435 x 171 x 105
- Surface area: 8,6 m<sup>2</sup>
- Suspension: rubber, independent with shock absorbers

NEW  
2016

## THE LITTLE DETAILS THAT MAKE ALL THE DIFFERENCE

### Easy to tow

Once closed, a Trigano trailer tent is the size of a standard trailer. It can be towed by most types of car, even the smallest models, offering almost no wind resistance. It is also easy to store in win.

### Storage space

We know you take a lot of luggage with you on holiday. All our models are equipped with storage spaces for easy transport. And some models offer the all new EASY PACK system making access to luggage easier during stopovers. In addition, optional accessories, such as the front storage box or luggage rack, allow for specific items of equipment, such as bikes and fridges, to be transported.

### Kitchen unit

All of our models are available with or without kitchen units. These units are attached at the rear of your trailer tent and offer all the space and equipment you need. They are mobile so that you can cook outside your awning when it is fine (except the fixed kitchen unit on the Alpha model). The kitchens on the Odyssee and Olympe models can be fitted with wheels.

### Groundsheet

Acclaimed by our customers, these sheets are attached to the awnings by a zip fastener about 10 cm above the ground. They protect you from moisture and insects, and also prevent wind blowing under the awning. You can remove them and refit them whenever you want.

### Sleeping comfort

Sleep as if you are in your own bed! The bedrooms are made from cotton, which serves as a lining for the main canvas and are fitted with mosquito nets and flaps. The mattresses are wide and comfortable and the slatted bases are available on most models. All of our models offer two separate rooms (except the Alpha) and you can also add extra sleeping areas (underbed tents, annexes).

TRIGANO

## Side annex

Fitted with a window, flap and mosquito net, this annex can be used as a bedroom or toilet cubicle.

## Underbed tent

This additional bedroom is installed under the beds. Consisting of a cotton tent and a groundsheet to protect against moisture, it is ideal for the kids.

## Sun canopy

Extend your trailer tent with a sun canopy. The shapes vary according to the models to match their design.

## Mosquito nets

Replace the doors with mosquito nets during hot summer days.

## Storage box

Indispensable for transporting a fridge, a WC, a bottle of gas, etc.

## Storage bracket

In the off season, this storage bracket allows you to store your trailer tent with ease.

## Luggage rack

To transport suitcases or up to 3 bikes, (bike carrier not provided).

## Spare wheel

Placed under the trailer, it offers easy access. A jockey wheel is also available to help you move your trailer tent with ease (see photo 5)
