2 BERTH TOURER
 LIGHTWEIGHT AND EASY TO TOW

Your adventure starts here

Campmaster King

The Campmaster King comes with an extensive range of features as standard including shower, fitted toilet and underfloor heating to name a few.

The Campmaster King is built to last using the latest building technology and techniques including GRP to both internal and external walls, styrodur insulation and timberless frames throughout the caravan.

Meticulously designed to create a spacious and luxurious caravan with a MTPLM of only 750 KGs, meaning most small cars and many electric vehicles can tow this lightweight caravan.

Spacious and comfy seating.

Converts into an XXL bed fit for a king 6'3" x 6'3" (190cm x 190cm).

Set up as 2 good sized single beds. Both beds are 6'3" long (190cm).

Dometic cooker, stainless steel sink and 60 litre fridge.

King size washroom.

XXL Front storage locker.

Unique and clever use of space with 3 plinth drawers.

Double glazed Dometic windows throughout. Blackout blinds and mosquito nets. Shown 50/50.
