Comfort and nature

Yes, you can holiday in the great outdoors without compromising on comfort!

Trigano is continually updating the technical and functional innovations of our range of trailer tents to make sure that you having a happy holiday is our top priority. Our models are easy and quick to pitch, plus they all come with spacious interiors. Our ever-changing choice of shapes and colours come with a multitude of options and handy features.

In this catalogue, you can discover the full 2022 collection. More detailed information, such as videos of our products and a list of dealers in your area, can be found on our website:
www.trigano-camping.com

Want to get closer to nature? Whether you are with family, friends or just the two of you, you will find a model in our range to suit you and give you a carefree, relaxing holiday.

So why not make sure your holidays are nothing less than perfect?

Discover our workshops, as well as all of the manufacturing stages for our trailer tents in this video.

You can read QR codes with your smartphone, with an application that you'll need to install beforehand. You can then access our videos in a single click.

The difference is in the details

BLACKOUT SLEEPING SPACE

For a better night's sleep and a gentle wake-up, the sleeping areas have darker colours.

EASY TO TOW

Once closed, a Trigano trailer tent is the size of a standard trailer. It can be towed by most types of car, even the smallest models, and has almost no wind resistance. You will not pay any extra on toll roads. It is also easy to store in winter.

KITCHEN UNIT

All of our models are available with or without a kitchen unit (except CAMPTRAIL). These units are attached at the rear of your trailer tent and create plenty of space for equipment that you might need. They can be easily moved so that you can cook outside your awning in good weather (except CAMPTRAIL & CAMPLAIR). The ODYSÉE's kitchen may be fitted with wheels.

STORAGE SPACE

We know you take a lot of luggage with you on holiday. All our models come equipped with storage space for easy transport and some models feature the Easy Pack System for quicker access to your luggage on site.

GROUND SHEET

Widely praised by our customers, these sheets are attached to the awnings by a zip fastener about 10 cm above the ground. They protect you from moisture and insects, while also preventing wind blowing under the awning. You can remove them and refit them whenever you want.

220V PLUGS AND USB PORTS

Stay connected just like you do at home! 220V plugs and USB ports are available as an option on certain models.

A GOOD NIGHT'S SLEEP

Sleep just as soundly as you do in your own bed! The bedrooms are made from cotton, which also serves as a lining for the main canvas, and are fitted with mosquito screens and flaps. The mattresses are wide and comfortable, plus the slatted bases are available on most models. Most of our models come with two separate rooms and extra sleeping areas can be added (sleeping spaces under the trailer or annexes).

Your holidays deserve nothing but the best!

Trigano TRAILER TENTS HAVE BEEN MADE IN MAMERS, IN THE SARTHE REGION OF FRANCE FOR OVER 60 YEARS. We gave a name to "haute couture" camping, and our reputation is rooted in long-standing tradition.

Our expertise is unrivalled in Europe and it is reflected in the quality of all our products. The sense of perfection that drives our designers is epitomised in the attention we pay to the choice of materials used. The canvas is an essential component of a trailer tent. That's why we select only the top quality cotton for the roofs and walls, a material that is resistant to water, tearing, damp and the lasts the tests of time. The canvas is breathable and well-ventilated. We sew our canvas by hand using knotted stitches for added durability in any condition. The trailers, also constructed in our factories in France, are indestructible.

We control the entire production line in order to provide trailer tents that stand up to the most temperamental weather conditions and are robust, practical and comfortable.
